The Smile Club

The Smile Club membership is renewable on a yearly basis. The membership fee is non-refundable, and all benefits are useable only in the 12-month period after the membership is paid in full. This fee cannot be financed since The Smile Club entitles our members to a generous discount of 15%. **We also require that all treatments be paid for in full the day of the appointment.**

The Smile Club is not an insurance plan and is not good with any other offers. The Smile Club is available to all patients of record at the office of Jared Dastrup DDS. The work is to be done by a dentist, hygienist, or an expanded-functions dental assistant of Dr. Dastrup's office.

We reserve the right to modify, change, and discontinue the plan, fee, terms and services at the doctor's option upon written notification prior to renewal.
